WNCT Will Present Christmas Program

"Let's Get Together With P-C" (Potsdam-Clarkson), a new program, will be presented over WNCT from 9:05-9:30 p.m. on December 11. This will be a live show featuring talent from both campuses.

"The Other Wise Man," a Christmas drama, will be presented that night, under the direction of Miss Maryrose McCrystal of the English Department of Potsdam. The characters in the presentation will be students from Miss McCrystal's freshmen English class. Nancy Pane will announce the program.

Anyone interested in participating in the new program should contact John Watson of Clarkson or the radio station.
